DOMESTIC MATTERS.

many Notices of every than five them, collect of gravest Absence from home, in attendance upon the State Convention at Columbus leaves us but listle opportunity for boring the reader with lucubrations of our own, in this number.

Accident .- As the train which brought us from Columbia on Wednesday morning approached the Beren station, a German Isborer was knocked down, and one leg taken off below the knue, making the third person run over at that point within a week. It is not a little incomprehensible how a man in midday, in the full still another was close, tight legs, like some exercise of his faculties, can allow himself to become a victim in this way.

THE CONTINUATAL TELEGRAPH ENTERPHINE COtanins abroaded in doubt and uncertainty.-Since the day of the departure of the ficet-the 10th of June-no reliable information touching of failure. A few days must relieve this state of like school-girls, with various styles of hat, disappointment, or crown our hopes with the announcement of the thrilling fact that the nations are linked by an electric, and we may say, feets must prove.

Brother ALLEN advises us to put that significant X on our subscription book, a sident on Monday last :course which he is determined to adoptthat is to insist strictly upon advance

WATER-LOQUEN .- The scow George Neville, miles from the Conneaut Piers. The schooper Leneis Cass was sent to her assistance, which towed her lute port; her deck loud was discharged and the water pumped from her hold, when she re-shipped her load, and left for Buffale, on Friday evening .- Reporter.

APPOINTMENT.-Gov. Chuse has appointed Cyrus Mendenball, of Jefferson county, | in 1800." a Director of the Ohio Penitentiary, in place of Gen. Spink, of Wooster, resigned.

High WATER-A writer in the Painesville Telegraph proposes the alteration, abolition or the waves to make inroads on the lands along suspicion that having exhausted his capacity, the lake shore. Unfortunately for this theory because his opportunity, for rescality in the ser-the water pouring over Niagara Falls is six vice of slavery, he will be cheated of his pay, feet deeper than usual, and the level of Lake and that we shall soon find the administration Lake Erie. The communication in the Tele. be mean, but the persons that rule as have a graph proposes a public meeting of the sufferers great capacity in that line. by high water in Lake county, Ohio, to take Surgide.-Mr. ABIJAH GALLOWAY committed cause of permanent high water, then to take some means to have the obstruction removed. making an effort for the removal of Black Rock Dam, were the thing possible. The dam is the source of the Eric Canal, and the Eric Canal gave Ohio her greatness. The dam is essential to the canal, the canal is essential to Ohio, and a proper regard for their own bread and hutter, should make the people of Ohio aware of these facts.—Buff. Com. Adv.

FORT SEELING has been entirely evacuated by the Government. The last of the trappings were shipped for Fort Ridgley a few days since, and the entire property, so villainously obtained by democratic government robbers, has been delivered over to Mr. Steele, the agent of the

TRIAL OF MOWERS .- At a trial of Mot . crs, on the farm of A. Kaus, Esq., Cher y Valley, Ashtabula Co., Ohlo, July 8th, 18f 8. A. King, were appointed a Committee to and other places in the vicinity.

The School Defaultes.—Mr. Fred ker's was lightest : that as Tinker's Mover of our county .- Sentinel.

Thursday, July 22d.

Gazette says that another mass of rock, earth and trees bid good bye to Goat Island one day lest week, and went thurdering down into the chasm. This slide was from the side of that of last year, when several individuals came near being killed. One of the rocks will measure about sixteen feet each way. Fortunately no one happened to be on the shore below at the time of the slide. time of the slide.

The Bloomer Ergas Reformers. A correspondent of the Davenport Guzette; writing from Cortlandville, Cortland County, N. Y., June 30th, says:

"Last Thorsday and Friday, the National Dress Reform Association held its third annual convention in this place. There were about our hundred and fifty women present in Bloomer contame, and lawyers, doctors, professors, editors, etc., participated in the doings. I believe some eight or ten different States were represented. Just think of it-one handred and fifty "Bloomers" together! They were of every age, from the night to give any sutisfactory amount childhood to gray bairs-homely, bundsome; smart, stopid; tall, short; enthusiastic, deliberate; tasty, slovenly. There seemed to the full development of any number of be three leading patterns of the Bloomer "wigogle-tails" to the musquite state can be pants; one style was loose, in the sailor fashion; another was the full Turkish style, gathered into a ruffle about the ankle; and

on. The length of skirts ranged from two or three inches above the ankir, to as much its progress or its prospects have been received. Silks, calicoes, velvets, lawns, linens, de and the public mind is surcharged with interest laines, olpacas, ginghams—in fact, almost and cariosity. All sorts of augury is heard in every fabric and every figure of fabric, accounting for the delay, some favorable, but might be found there. Nearly all of them the greater part is full of distrust and suspicion wore their bair cut short about the neck, naxious suspense, and give us the sad story of trimmed to the wearer's taste; and walked

THE OLD SOLDIERS,-The correspondent fraternal bond of brotherhood, for such its ef- of the Bultimore Sun gives the following interesting incidents of the visits of the old soldiers of the war in 1812 to the Pre-

"Col. Seaton then took his stand by the side of the President, and as each of the veterans passed was introduced by name to pay. The advice is good, and we shall the Chief Magistrate, who shook hands not be far behind him in so good a decis- with each and exchanged a pleasant remark. One of them the President inquired, 'How long have you lived in Washing! He said 'sixty eight years.' 'Why,' said the Bagen, Master, left Ashtabula for Buffalo, on President, that was before there was a Tuesday night the 6th inst., with a cargo of house here.' 'Yes,' said the old man, '! lumber. She was so heavily loaded that the helped to carry the chain of the surveyors, sees swept over her deek, she filled with water, who ran the lines of this city through the and careened over, completely disabled. She woods.' As the soldiers passed along, the was discovered the next morning about five president repeated to another a similar inquiry, when he received for reply, 'I worked sir, on the old capitol-my boy, 54 y'rs old, is now employed on the new.

"Col. Senton introduced Mr. John Sessford as the 'father of the city.' 'How long have you resided here,' asked the President. 'I came here said the venerable man, before the government; I entered the office of the National Intelligencer

Whether that practical patriot and Unionsaver, John Calhoun, is saved up for higher honors, or is cruelly turned out to private life by the administration, the world will be curious to removal of Black Rock Dam, on the ground know; but his place as land surveyor in Kansas that it raises the water in the lake, and causes and Nebraska is given to another. We have a Ontario is as much higher than usual as that of claiming credit for disowning him. That would

> this village on Saturday evening last, by taking opium. Mr. G. was constitutionally taciturn the agueand melancholy, and anfortunately addicted to occarional hard drinking, which together with sickness in his family, conspired to cause him to commit the deed. He had been drinking for some days, and on Saturday some humane whisky seller refused him liquor, when chagrined and disappointed, he went home and attempted to swallow a quantity of morphine, which had been left there in small doses for his sick wife, but was by her prevented. He went immediately to the Drug Store, bought the opium! returned in a few minutes, and in the presence of his wife swallowed about 50 grains. Physicians were sent for, but before they arrived it was too late for help. He died about 3 o'clock Sunday morning. Mr. G., when not under the influence of liquor, was a peaceful, industrious man,—of liquor, when home and attempted to regularities degree. Designed solely as a reusedy for which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no equal,—yet they should not be used dur, which they have no ky-seller refused him liquor, when chagrined and was a shoemaker by trad, and 38 years of age.

Our invalid readers are referred to the advertisement of Dr. CLARK, who has com-L. E. PARKER, Esq., R. HAYES, Esq., and menced a series of periodical visits to this,

Committee, after trial, respecefully repo t W. Porter, the defaulting agent of the American Sunday School Union, whose fall made such Ketchum's, Manny's and Tinker's were a sensation a short time since has at length tried; that Allen's, Aultman's, Bolls made a confession of the great wrong he has Ketcham's, Kirby's and Tinker's did the done. He stood very high in the Society and work well and spualty well; that they h d in the Church, and he was almost the last man no means of testing the draft of the Mow-ers, but in their opinon the draft of Tii-the Board of the Sanday Schoot Union, he has ker's was lightest: that as Tinker's Mover made a complete confession. He began his was newly invented we are not able to judge wrong-doing nineteen years ago! The plan of its durability, but would commend it to was the same that he pursued to the last. His the favorable consideration of the farmers | temptations began with the mulberry and silk-Our readers will bear in mind that Dr.

Tunns will be at the Ashtabula House, on Thursday, July 22d.

the garb of religion he has for that long time carried on his dishonest plans. At the start be knew it was wrong, but he hoped to be able to meet the notes as they matured. But as he was unable to do so, he was compelled to renew and pay a heavy bonus. Thus, for nineteen years, he has been treading the thorny path of sin, praised for virtues that he knew he did not possess, and taking of the sacrament, which, acan adition in German. It is said that there is cording to his own professed faith, was adding damastion to himself with each unworthy reception. He defrauded the society out of over to be successful.
